TIED OUT.

There's many a wife sits in the growing shadows of an evening, knowing what it is to feel tied out; as if there was not another ounce of effort left in her. But if healthy she knows how sound her slumber will be and how refreshed the morning will find her. But it's another thing for the sick woman to feel tied out. Rest only seems to increase her suffering. She feels acutely the aching back and throbbing nerves. Sick women, hundreds of thousands of them, have been made well by the use of Dr. Pierce's Favorite Prescription. It establishes the regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I am pleased to inform you of the benefit I received from using Dr. Pierce's Favorite Prescription and Golden Medical Discovery," writes Mrs. Elizabeth A. Oswald, of 45 Hunt Street, Windsor, Essex Co., Ontario, Canada. "I was quite discouraged when I wrote asking your advice, as the physicians here told me I could get no relief except by an operation. Suffered for four years from irregular and profuse menstruation, had sick and nervous headaches most of the time, and at times could hardly walk across the floor from weakness. I thank God there is a remedy for this. Dr. Pierce's Favorite Prescription for suffering women. Before I had taken the first bottle the headaches had left me and it was not long before regularity was established and still continues so. Have just finished house-cleaning which I never expect to be able to do again, and can truly say I never felt better than at present. I gladly recommend 'Favorite Prescription' to all who suffer from female weakness. It has cured me and made me stronger in every way. Neither my husband nor myself can say enough in its praise."

The selfish seller who urges some substitute is thinking of the larger profit he'll make and not of your best good.

MEN ARE POWERLESS

To Fight Against Disease Unless They Strike at the Underlying Cause.

To treat Dandruff and Falling Hair, with trinitars or oils on which a parasitic germ will prosper, is like scattering seed from the ocean to prevent the tide from rising.

You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the trouble.

You must kill the Dandruff Germ. Newbro's Herpicide does this because it is specially made to do that very thing.

When the germ is removed, the hair has no choice but to resume healthy growth and beauty.

Destroy the cause, you remove the effect."

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

TORNADO IN KANSAS.

As was stated in yesterday's Gazette, Twenty-six persons are known to have been killed and 44 injured in a tornado, which swept over Marquette, Kansas, Monday night. One large section of Marquette, where the principal loss of life occurred, was entirely wiped out.

Reports from the surrounding country show that the destruction to life and property was widespread. In several cases entire families have been killed. A man named Switzer, a night watchman at the railroad yards, lost his three children. N. P. Nelson and his wife and three children, were found dead. Two other children, were not at home and escaped injury.

Last night order was practically brought out of the chaotic condition that prevailed yesterday, and a relief committee has begun dispensing aid.

The tornado struck the southern end of the town and cut a clean swath 100 yards in width through its entire length. Coming as it did at midnight, the people were caught without a moment's warning. A heavy rainstorm had preceded the wind. The tornado passed on into the farming country north of Marquette and a few minutes and caused further damage.

In Marquette many residences were demolished, the wreckage being carried away entirely, while others were picked up bodily, moved a short distance and dropped to the earth.

Many of the victims were killed as they lay asleep; others awoke maimed and bleeding to find themselves buried in the debris of their former homes. Men with lanterns soon appeared and began the work of rescue.

When daylight broke over the town it found the entire population in a state of panic. Business was suspended and everyone who escaped injury turned his attention toward aiding the wounded.

The tornado seems to have formed three miles south of Marquette and did not spend its force until it had passed many miles north of the town.

The Swedish Lutheran and Methodist Churches were among the first buildings struck, and they together with the parsonage of the Methodist church were demolished.

The infant daughter of Charles Sailer was lifted in her bed and carried to the middle of the street, receiving only a few scratches. Sailer and his wife were seriously injured.

The mattress upon which the baby daughter of Rev. Mr. Smith lay was doubled up in such a manner as to cover the child and protect it from falling timbers. In spite of the destruction of the Smith house, the entire family escaped uninjured.

Mr. and Mrs. O. S. Ellvin were carried on their bed a distance of 500 feet and dropped without being seriously injured.

Marquette is a town of 1,500 persons, in McPherson county. It is the exact center of Kansas and the richest farming country in the State.

As a Check to Divorce.

In response to invitations sent out by Archbishop Farley, 200 Catholic women prominent in the social life of New York city gathered Monday in the parlors of the episcopal residence for the formal discussion of the brief of Pope Pius X approving of the Daughters of the Faith, the organization which has undertaken a social war against divorce.

In opening the meeting Archbishop Farley spoke of Miss Edith Lumis's visit last summer to the Pope at Rome and his approval of "the social reforms it is the purpose of the Daughters of the Faith to bring about through united effort toward counteracting the evils of naturalism, working such havoc in the home and social life of our people." He urged that the Daughters of the Faith invite non-Catholics to co-operate with it in "checking the divorce cancer."

One of the society's precepts is: "The Catholic divorcee who remarries and other divorcees whose lives are an open scandal will be socially ignored."

Another Jewish Massacre.

The recent massacre of Jews in Volhynia, southwestern Russia, in which 12 Israelites were killed and about 50 wounded, recalls the massacre of two years ago. The riot started on April 19 and lasted for three days during which time 45 Jews were killed outright, hundreds were wounded and thousands made homeless.

The outrages to which the Jewish women and children were subjected by mobs were too horrible to recount. It was estimated that 700 homes were destroyed; that 600 shops were sacked and that 10,000 persons or 2,000 families were made homeless as a result of the massacre.

The Russian government at the time explained that the cause of the outbreak was that a Christian woman had been attacked by a Hebrew owner of a merry-go-round in sight of a number of Russian workmen. Later investigation by outsiders showed that the massacre had been contemplated for some time previous to the outbreak, and there were indications that the Russian government was aware that the outbreak had been planned.

A number of arrests were made by the Russian officials, and as a result of a secret trial two Russians who were convicted of being the "authors" of the massacre were sentenced, respectively, to five and seven years imprisonment.

Twenty-two other persons, who were charged with being involved, were sentenced to periods of imprisonment ranging

BUFFALO LITHIA WATER

The Great Solvent and Eliminator of URIC ACID and other POISONS.

"Doubly Efficient in Rheumatism and Gout, and an Important Corrective of Digestive Failures."

John V. Shoemaker, M.D., LL.D., Professor of Materia Medica and Therapeutics in the Medical-Chemical College of Philadelphia, etc., in the New York Medical Journal, July 2, 1899: "The BUFFALO LITHIA WATER is doubly efficient in rheumatism and gout. It dissolves uric acid and phosphatic sediments, as well as other products difficult of elimination, while at the same time it exerts a moderately stimulant effect upon the renal cells and thereby facilitates the swift removal of insoluble materials from the body. Without such action insoluble substances will precipitate in the kidneys and bladder. The intense suffering produced by stone, together with consequent pyelitis and cystitis, are avoided by prompt elimination. Unquestionably, although the speedy removal of uric acid and other products of faulty tissue change is of conspicuous benefit, yet to prevent their formation is a service still more important. This when it corrects those digestive failures which are responsible for the production of deleterious materials."

James L. Cabell, M.D., A.M., LL.D., Formerly Professor of Physiology and Surgery in the Medical Department of the University of Virginia, and President of the National "BUFFALO LITHIA WATER" thesis is a well-known therapeutic resource. It should be recognized by the profession as an article of Materia Medica.

Dr. Chas. G. Hill, Professor of Nervous and Mental Diseases, Baltimore Medical College, Baltimore, Md.: "In many forms of nervous exhaustion, accompanying an excess of urates and phosphates, it is invaluable."

Dr. J. T. DeBlandhard, Professor Montreal College, M.D., N.Y., U.S.: "I have used BUFFALO LITHIA WATER in most obstinate cases of Chronic Inflammation of the Bladder, in Stone in the Bladder, in Uric acid calculi, with the most efficacious results."

Man's Reasonableness

is often as great as women's. But Thos. S. Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters she was perfectly cured and can now perform all her household duties." Guaranteed by E. S. Leadbeater & Sons, druggists, price 50c.
